Why

We want to record statements about objects and the relations among them. We want to be very certain that we say everything we need to We want to do our best to say nothign we do not need to.

Why

Construction 1.

| | | | | |
|---|--|------|---------------|--------------|
| 1 | | name | x | |
| 2 | | name | y | |
| 3 | | name | z | |
| 4 | | have | $x \subset y$ | |
| 5 | | have | $y \subset z$ | |
| 6 | | thus | $x \subset z$ | by lines 4-5 |
