

Two-Player One-Shot Games

```
graph TD; A([Two-Player One-Shot Games]) --> B([Sets]); B --> C([Objects]);
```

The diagram consists of three vertically aligned ovals. The top oval is red and contains the text 'Two-Player One-Shot Games'. A black arrow points from the bottom of this oval to the top of a smaller red oval in the middle, which contains the text 'Sets'. Another black arrow points from the bottom of the 'Sets' oval to the top of a black-outlined oval at the bottom, which contains the text 'Objects'.
