

Two-Player One-Shot Games

```
graph TD; A([Two-Player One-Shot Games]) --> B([Sets]); B --> C([Objects]);
```

A vertical flowchart with three nodes. The top node is an oval with a red border containing the text "Two-Player One-Shot Games". A black arrow points down from this node to a second oval with a red border containing the text "Sets". Another black arrow points down from the "Sets" node to a third oval with a black border containing the text "Objects".
