

Two-Player One-Shot Games

```
graph TD; A([Two-Player One-Shot Games]) --> B([Sets]); B --> C([Objects]);
```

The diagram is a vertical flowchart. At the top is a large red oval containing the text "Two-Player One-Shot Games". A black arrow points down from the bottom of this oval to a smaller red oval in the middle containing the text "Sets". Another black arrow points down from the bottom of the "Sets" oval to a black oval at the bottom containing the text "Objects".
